

Hi guys,

In the event of 2 Korean Kumdo league players coming to visit USYD at the end of this month. USYD Kendo Club would like to invite all Kendo and Kumdo clubs and its players to come for a joint training session.

The visitors are HyuuKyu Park (4th Dan) from Sung Nam League and Chi Woong Yoon (5th Dan) of Jung Eup League. They will be staying in Sydney for 1 week, starting from the 23rd, and we will be taking them to various trainings and visits if time allows.

The Joint Training Session will be held on the Saturday 28th of July. Starting 10 AM until 2PM. Followed by lunch and drinks before they depart for Korea on the same day. Current session schedule briefly consist of Kumdo concepts and basics, followed by waza training and then free jikeiko.

This training is for all beginners and bogu players, so everyone is welcome if you can make it. The lengthy session will not only provide us with a good training, but also will allow the players to exchange valuable kendo & kumdo experiences and you can practice with almost anyone you'd like.

Time: 28th July - 10 AM to 2 PM

Location: University of Sydney - HK Ward Gym (Between CamperdownSU Sports Oval 1 & 2.)

Entry: FREE. All beginners and bogu players welcome.

P.S note to Masters and Sensei's of Kumdo and Kendo Club/Dojos. The visitors are relatively young in age, Although they are said to be professional players, but it is just a friendly training keiko opportunity provided for the players by our club. They came a long way here to just play kendo/kumdo. So if any of your students can come, it will be a good experience..... ^_^ Please spread the news Thanks.

Warm Regards

USYD KENDO CLUB
